## **2018 Vermont School Facility Person of the Year – Call for Nominations**

---

For the tenth consecutive year, the Vermont School Custodians and Maintenance Association (VSCMA) would like to identify and celebrate an individual as Vermont School Facility Person of the Year (previously, Vermont School Custodian of the Year).

Principals, superintendents, and school board chairs are invited to nominate professional school facility staff, such as custodians, maintenance, groundskeepers, etc. Qualified individuals will be current full-time school facility staff who have served in a Vermont school for at least five years and who exemplify the positive qualities of a hard-working, dedicated member of their school team. A committee comprised of the VSCMA officers will review nominations and select a deserving facility person for recognition prior to the end of the 2017-2018 school year. The award will be presented at the 2018 School Plant Operation & Maintenance Conference at Hartford High School, June 21.

Nominations for the 2018 Vermont School Facility Person of the Year award should be in the form of a letter or packet of letters detailing the nominee's strengths, accomplishments, and contribution to her/his school team. Nominations may also include supporting letters from teachers, facility managers, school staff, students, and parents.

- Deadline for nominations for 2018 School Facility Person of the Year is May 1, 2018.
- Nominations may be submitted electronically to Delaney Meeting and Event Management at [info@delaneymeetingevent.com](mailto:info@delaneymeetingevent.com)
